Company Overview

Background

Jesicap Group (PTY) LTD is a company that was established in April 2020 from a combination of previously run companies amidst the global pandemic to help cater for people that lost their jobs to give the economy and different sectors a boost of employment. Jesicap Group is currently a level 2 BBBEE company that trades in various sectors which includes the mining sector, construction sector, supply sector and Engineering sector.

Vision

The company aims to establish the job security between communities within the South-African borders and beyond to ensure growth for all generations. Providing all clients of the company with the best possible services and establishing its name as one anyone can rely on and trust.

Mission

To establish a sound and professional relationship with the different sectors the company trades in by means of sound management, hard work, company relations and the utmost professionalism.
